Re: United States v. Gabriela Miclescu
1:18-mj-502 DJSI

Dear Clerk of the Court:

I am writing to clarify some statements made in my request for an adjournment. Today I learned from the Newark USCIS Asylum Office that no credible fear interview has even been held in the Defendant's case, and that the documents I had assumed related to such an interview were from a short interview conducted shortly after her arrest. I believe that makes my request for an adjournment even more relevant; I would prefer to wait for the credible fear interview before the appearance before this Court.

As always, I appreciate your attention and assistance in this matter.

Respectfully submitted,

Frederick P. Korkosz
